TITLE SPONSORS INDIANAPOLIS COLTS and PACERS

## KEYNOTE SPEAKER **davey blackburn**, minister **resonate church**

Davey is the founding pastor of Resonate Church located in Indianapolis. In November 2015 his wife of 7 years, Amanda, was tragically murdered. She was expecting the couple's second child at the time of her death. Since that day Davey has been determined to help people through their valleys in life and teach them that nothing is wasted. He will reflect on his journey. He will share thoughts on his relationship with the IMPD and how they acted quickly to apprehend those that killed his wife. Then he will share how he found hope and eventually found a new life partner.

## SPEAKER **jo ann moore**, retired IMPD OFFICER

### MOTHER OF OFFICER **DAVID MOORE**-KILLED IN THE LINE OF DUTY 2011

David was killed almost 8 years ago while working as an IMPD officer. Jo Ann will share her tragedy to hope story. She has taken on a platform of organ donation as result of losing her son.

**THE EVENT HAS TWO PURPOSES** The first is to thank our law enforcement officers. This provides an opportunity to set down, enjoy a meal and learn about our community's servants. Second it is to raise funds so the Central Indiana Police Foundation can continue to support them at a deeper level. As a new organization, our largest challenge is funding.

Our inaugural event was held in November 2017. It was very well received. From the Honor Guard performance to the moving stories from Molly Winters-Carrie, Survivor, to Josh Biel, Colts Spokesperson, people left with a new understanding of the importance of supporting our officers.

Each table will host a Law Enforcement Officer from one of the departments within Indianapolis or surrounding communities. The table sponsors will be able to invite their team, vendors, friends and/or customers. We are hopeful that all guests will be able to make a donation or pledge that morning. We will also have some very awesome prizes for a few lucky officers. The event will have k-9 demonstrations and exhibit tables related to what our officers are doing in the field and in the community.

**ABOUT THE FOUNDATION** The Central Indiana Police Foundation was formed in 2013 to assist officers in need. Through the Foundation's Code One Fund, assistance is provided to help with a variety of hardships. Usually these hardships are the result of traumatic injury or sickness to the officer or his/her family. In addition, the Foundation helps with other needs related to their jobs. As an example, Trauma Kits and Ballistic Bullet Proof vests have been given to many officers in Indianapolis and surrounding areas.

Yes! We want to be involved.
